

100 ml

WHAT IS IT?

An easy-to-use and fuss-free roll on wax formulated with dry, dehydrated skins in mind, thanks to the nourishing properties of Virgin Olive Oil. This wax is suitable to warmer climates.

KEY FEATURES

- **SUPERIOR GRIP TO THE HAIR**
The Bio-Based Resin allows for excellent adhesion to the hair to remove even the most stubborn hairs.
- **NOURISHING PROPERTIES**
The perfect wax for dry, flaky and dehydrated skins in need of replenishing.
- **RECOMMENDED FOR ALL HAIR TYPES**
From short and stubby too long and soft, it's effective on all!
- **EFFECTIVE ON LARGE AREAS**
Recommended for legs, arms and back.

ACTIVE INGREDIENTS

BIO-BASED RESIN

This wax is made of natural and organic raw materials such as pine rosin and resin derived from soy glycerin. Compatible with the skin and kind to the environment.

EXTRA VIRGIN OLIVE OIL

Abundant in Vitamin E, this wax has a powerful antioxidant and rejuvenating action while encouraging quick skin-repair.
