

## WHAT IS IT?

Commonly referred to as our 'rescue cream' for post-wax. Instantly restores the balance to our skin pH, reduces erythema and regenerates cells for stronger, calmer skin.

## KEY FEATURES

### ● DISSOLVES WAX RESIDUE

Gently works to remove any excess wax residue left over.

### ● SOFTENS & HYDRATES

Leaves the skin silky-soft while reducing erythema, irritation & itching.

### ● PERFECT HOME-CARE PRODUCT

A perfect all-round body cream for your client to continue to use from home, for a natural glow.

## ACTIVE INGREDIENTS

### RICE BRAN EXTRACT

Rich in Vitamin E & anti-oxidants to soften and protect the skin.

### RUSCUS EXTRACT

Has a vasoconstrictor and anti-inflammatory effect to reduce redness and soothe the skin.

### FUCUS EXTRACT

Counteracts some of the negative effects of UV rays & helps to reduce the appearance of hyperpigmentation by inducing a natural skin glow.

### OAT EXTRACT

Has a restorative & emollient effect on the skin to reduce inflammation, enhance skin elasticity and trap moisture.
