Introducing

DERMO CONTROL

Balances skin, controls imperfections

SPECIALISED SKINCARE TO REGULATE AND RESTORE A
HEALTHY BALANCE TO OILY, COMBINATION, ACNE AND
BLEMISH-PRONE SKIN.

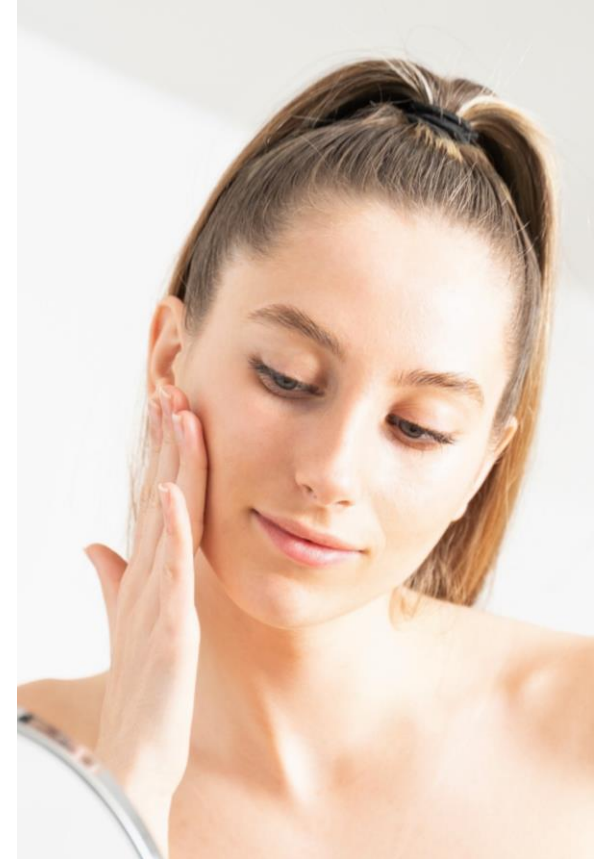

ANESI
LAB

DERMO CONTROL

Excess oil can lead to blackheads, spots and pimple breakouts. Acne is caused when sebum, bacteria, or dirt clogs the follicles resulting in the formation of deeper pustular pimple. The severity of acne varies from skin to skin and some skins might also be prone to sensitivity and scarring.

Hormonal changes are often influential in the formation of acne along with stress, genetics, improper skincare, poor diet and environment.

Dermo Control is an effective program to regulate and restore a healthy balance to oily, combination, acne and blemish-prone skin.

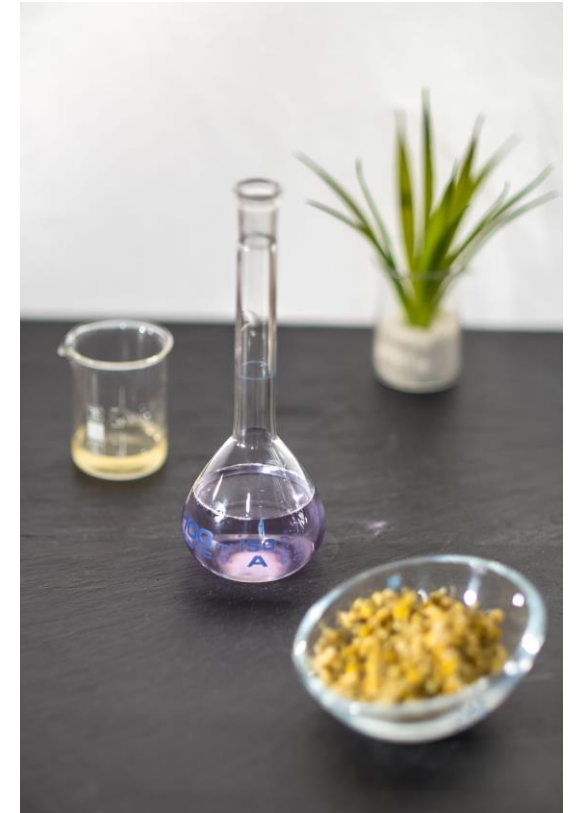

DERMO CONTROL KEY ACTIVES

LAMINARIA SACCHRAINA: Brown Algae, rich in trace elements, carotenoids, beta-glucan and polysaccharides helps regulate serum production, balance pH and promote skin health.

HYDRALPHATINE 3P: Complex with Glycerine, Panthenol, Bamboo Shoot Extract, Nelumbo Nucifera Flower Extract, Nymphaea Alba Root Extract, moisturising, soothing, balancing

CYTOBOIOL IRIS A COMPLEX: Soothing antiseptic herbal plant extract with iris, zinc, and vitamin A to promote cell regeneration and help repair damaged skin tissues.

Dermo Control effectively:

- *Balances sebaceous oil secretion*
- *Controls microbial flora to prevent pimples*
- *Helps skin repair for rapid blemish healing*
- *Replenishes the skins barrier*

DERMO CONTROL CLEANSING

500ml

200ml

BALANCING CLEANSING GEL: *Purifying and deep cleansing.*

Eliminates impurities and balances the skin. Ideal for deep cleansing or skin prone to pimples or after shaving to prevent pimples forming.

HOW TO USE:

Mix 2 pumps of gel with warm water or Balancing Toner to foam a mousse texture. Gently massage with circular movements avoiding eyes. Remove with water.

KEY ACTIVES:

Synergistic blend of Iris, Zinc, and Vitamin A: Proven to control oil, minimise pores & fight acne blemishes. **Betaine and Coconut:** Softening cleansing surfactants without stripping the skin. **Laminaria Saccharina** (brown algae): Rich in trace elements, vitamins & polysaccharides to reduce inflammation, balance pH, hydrate and soothe. **Nelumbo nucifera lotus flower:** Controls sebum. **Nymphaea alba root extract** (water lily): Antioxidant & softening. **Bamboo Root:** Rich in silica for skin repair.

ANESI
LAB

DERMO CONTROL TONING

500ml

200ml

BALANCING TONER *Skin clearing toning lotion.*

Regulates sebum secretion, tighten pores without stripping the skin. Complex obtained from Peach, Apple, Grapefruit with Salicylic Acid clears skin and prevents pimple formation.

HOW TO USE: Apply on a cotton pad and use after cleansing or whenever the skin needs refreshing.

PROFESSIONAL: Mix with Enzymatic Peel or Purifiant Mask.

KEY ACTIVES:

Synergistic blend of Iris, Zinc, and Vitamin A: Proven to control oil, minimise pores & fight acne blemishes. **Salicylic Acid:** Clears and prevents skin blemishes by removing debris in skin pores. **Nelumbo nucifera flower:** Controls sebum. **Nymphaea alba root extract** (water lily): Antioxidant & softening.

DERMO CONTROL SERUM

150ml

30ml

T-ZONE SERUM: *Balances and repairs*

Light hydrating serum with Iris, Zinc, Vitamin A and Brown Algae to balance oil and control imperfections aiding skin repair for a healthy complexion.

HOW TO USE:

RETAIL: For oily skin apply all over before creams. For combination skins apply just to T-zone where blackheads and blemishes are more evident

PROFESSIONAL: Can be used with Galvanic treatments on positive pole.

KEY ACTIVES:

Synergistic blend of Iris, Zinc, and Vitamin A: Proven to control oil, minimise pores & fight acne blemishes. **Laminaria Saccharina** (brown algae): Rich in trace elements, vitamins & polysaccharides to reduce inflammation, balance pH, hydrate and soothe. **Panthenol (B5):** Anti-inflammation and hydrating. **German Iris:** Promotes skin health & restores hydration. **Urea and Fruit complex:** Brings equilibrium to the skin, soothing irritation & promotes new cell growth.

Nymphaea alba root extract (water lily): Antioxidant & softening. **Bamboo Root:** Rich in silica for skin repair.

DERMO CONTROL TREATMENT CREAMS

EMULSION PURIFANT CREAM: *Mattifying hydrating cream*

Light hydration with Polyamide Powder to balance and ensure a shine-free radiant complexion, especially in humid weather.

KEY ACTIVES:

Synergistic blend of Iris, Zinc, and Vitamin A: Controls oil, minimise pores & fight acne blemishes. **Laminaria Saccharina:** Trace elements, vitamins & polysaccharides to reduce inflammation, balance pH, hydrate and soothe. **Polyamide Powder:** Keeps the skin naturally matt.

CORRECTION CREAM: *Repairing, healing cream.*

Prevents the formation of spots and promote fast recovery and fading of acne blemishes.

KEY ACTIVES:

Centella Asiatica: Anti-inflammatory and tightening. **Rosehip Oil** rich in EFA's and Pro-Vitamin A repairs skin damage. **Mimosa Tenuiflora:** Protects, heals. **Allantoin:** Soothing. **Marine algae:** Hydrating & balancing. **Vitamin E:** Antioxidant & healing

PROFESSIONAL PEELING

ENZYMATIC PEELING + BALANCING TONER

500ml

500ml

Deep cleansing Enzymatic Peeling with bentonite clay and pineapple stem enzymes to dissolve dead skin and debris for super clean, fresh and radiant skin. For all skin types.

Balancing Lotion with AHA's and purifying complex clears skin of impurities and controls oil.

HOW TO USE:

Mix 5-6g (heaped teaspoon) of **Enzymatic Peeling Powder** with 12ml (6-8 pumps) of **Dermo Control Balancing Toner**. Mix with a spatula or brush to create a creamy paste. Apply thickly and leave for 10 minutes. (Steam can be applied.) Remove and warm water and tone the skin.

PROFESSIONAL MASK

500g

DERMO PURIFIANT MASK: *Hydrating, balancing alginate mask.* Cooling 'peel-off' mask to reduce inflammation, absorb and eliminate impurities to balance oily, congested or acne-prone skins.

HOW TO USE:

Mix 25g Dermo Purifiant Masque powder with 70ml Balancing Toner. Immediately apply with a spatula to face and neck, avoiding eye area. Leave for a maximum of 15 minutes. Lift the edges with a spatula and remove. Remove residue with Balancing Toner.

KEY ACTIVES:

Alginate: Rich in calcium sulphate, magnesium, potassium and zinc.

Horse Tail: Rich in silicon, strengthening, astringent and stimulating to keep skin supple.

OTHER ESSENTIAL PRODUCTS TO USE WITH DERMO CONTROL

500ml

200ml & 1 litre

DESINCRUSTATION LOTION

Softens the pores to facilitate comedone extraction. **Burdock & Ivy** reduce inflammation and control sebum. **Oat:** Balance skin's pH and soothes.

HOW TO USE: Apply with gauze or cotton wool, press into the areas for 3-5 minutes. Proceed with the comedone extraction. After extraction, use Oxygenating Gel to aid skin repair.

Can be used with steam, ultrasonic spatula for deep pore cleansing, or with galvanic negative pole.

OXYGENATING GEL

Multipurpose oil-free gel with oxygenating **Amino Acids** to revive and calm, **Polarized Water & Hyaluronic Acid** to hydrate and **Hydroxyproline** (amino-acid) to repair skin.

HOW TO USE:

Use as a cooling repairing face mask or a soothing massage gel when treating congested or sensitive skins. Ideal to use with all electro-therapies.
