

WHAT IS IT?

A rich & repairing treatment cream to help soothe and regenerate the skin, helping avoid irritation, erythema and itching.

KEY FEATURES

● CALMS & SOOTHES

Instantly soothes and calms the skin post-wax.

● CONCEALS REDNESS

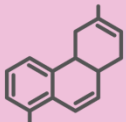

With Zinc Oxide to conceal and reduce any redness and inflammation. Perfect to use after facial waxing when a slight coverage may be needed.

ACTIVE INGREDIENTS

ALOE VERA

Has regenerative properties to encourage quick skin-repair while hydrating and cooling the skin.

ZINC OXIDE

Forms a thick protective layer on the skin to help deflect UV Rays and lock in moisture.

CHAMOMILE EXTRACT

Has calming and anti-inflammatory properties to reduce redness & irritation.

LIQUORICE ROOT EXTRACT

Skin brightening properties.
