

100 ml

### WHAT IS IT?

An easy-to-use and fuss-free roll-on wax with a smooth and creamy texture. Formulated with potent antioxidants extracted from the Rooibos Leaf.

### KEY FEATURES

- **ANTIOXIDANT PROPERTIES**  
Protects the skin against free-radical damage and prevents premature ageing.
- **CREAMY TEXTURE**  
A soft wax which has good adherence to the hair and not the skin, allowing a clean epilation without feelings of 'sticky-ness'.
- **RECOMMENDED FOR ALL HAIR TYPES**  
From short and stubby to long and soft, it's effective on all!
- **EFFECTIVE ON LARGE AREAS**  
Recommended for legs, arms and back.

## ACTIVE INGREDIENTS

### BIO-BASED RESIN

This wax is made of natural and organic raw materials such as pine rosin and resin derived from soy glycerin. Compatible with the skin and kind to the environment.

### SOUTH AFRICAN BUSH EXTRACT

Potent in Vitamin C to fight oxidative stress and brighten the skin. Also contains a high concentration of minerals such as Calcium, Iron, Potassium, Magnesium and Zinc that are beneficial to skin health and for anti-inflammatory properties.
