

STRIP WAX LAVENDER WAX

WHAT IS IT?

A strip wax formulated with sensitive, delicate or first-time-waxers in mind. Harnessing the properties of Lavendar Essential Oil to soothe, heal and provide a delicate scent for a relaxing, stress-free treatment.

ADVANTAGES

- **SUPERIOR GRIP TO THE HAIR**
The Bio-Based Resin allows for excellent adhesion to the hair to remove even the most stubborn hairs.
- **PERFECT FOR SENSITIVE CLIENTS**
Gently treats sensitive, reactive skins to soothe and reduce inflammation while removing the hair for a pleasant treatment.
- **RECOMMENDED FOR ALL HAIR TYPES**
From short and stubby too long and soft, it's effective on all!
- **EFFECTIVE ON LARGE AREAS**
Recommended for legs, arms and back.

ACTIVE INGREDIENTS

BIO-BASED RESIN

This wax is made of natural and organic raw materials such as pine rosin and resin derived from soy glycerin. Compatible with the skin and kind to the environment.

LAVENDAR ESSENTIAL OILS

Known for its calming aroma, antibacterial and healing properties, this ingredient works to reduce inflammation during treatment and encourage skin healing post-wax.
