

WHAT IS IT?

A hypoallergenic strip wax formulated with Mineral Resin as a treatment alternative to those who react to Colophony in plant-based Resin Waxes.

ADVANTAGES

- **NO RESIDUES LEFT**
A soft wax which has good adherence to the hair and not the skin, allowing a clean epilation without feelings of 'sticky-ness'.
- **HYPOALLERGIC FORMULAS**
Replaced with Mineral Resin, this wax is a safe and comfortable alternative to Resin attained from pines and plants. Completely unscented to avoid any irritation from added fragrance.
- **SUITABLE FOR MEDIUM TO FINE HAIR**
Effectively removes medium to fine hairs
- **EFFECTIVE ON LARGE AREAS**
Recommended for legs, arms and back.

ACTIVE INGREDIENTS

MINERAL RESIN

Skin compatible and respectful to the epidermis. Colophony-free makes this wax ideal for all skin types.

HYRDOLYZED MARINE COLLAGEN

Improves skin elasticity, leaving the skin re-densified and firmer, minimising the signs of ageing.
